

I do not agree with changing the no call list. I do not appreciate getting a ton of phone calls during supper or for that matter any time at home. I enjoy being able to relax and not worry about the next telemarketer who might be calling trying to sell something. Please leave things the way they are. These bankers who want to relax the no call list can come to my house every night and take the ton of calls then. Maybe they will change their tune. AGAIN, PLEASE LEAVE THE NO CALL LIST THE WAY IT IS. I DO NOT WANT THE NO CALL LIST TO BE RELAXED TO ENABLE TELEMARKETERS TO CALL!!!!!!!!!!!!!!
